INFRACON

SFC Infracon Private Limited is one of the renowned construction companies in Sangli and Western Maharashtra region. Our visionary leadership has always strived to deliver the best buildings with highest specifications for our customers. We believe in Quality and Transparency, and hence all our actions are towards building and multiplying the Trust which our stakeholders & customers have put on SFC Infracon.

We have been a reliable construction company for medium & large-scale projects. Our clients span from different verticals including big brands. Our expertise and experience in the construction and civil engineering domain has helped us reach these heights of success.

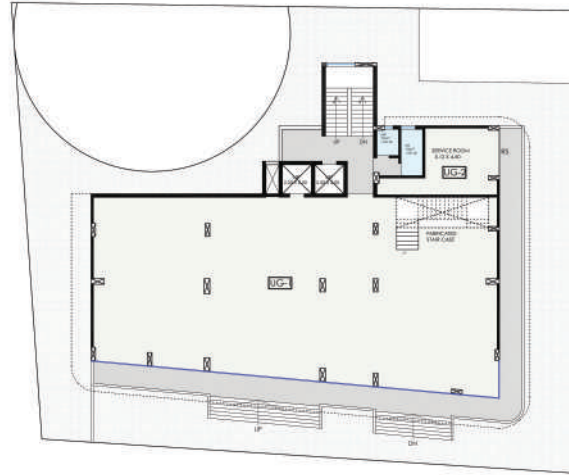

Now, We bring you a premium commercial building-Brij Arcade', located on main road, easy access from city, with high class amenities and facilities.
